

**MEMORANDUM**

DATE: October 14, 2024

TO: Orleans Select Board Members

FROM: Frederick (Fritz) Luft  
Chair, Community Center Feasibility Task Force

Subject: Reporting on Community Center Feasibility Study

---

Hello - -

The Community Center Feasibility Task Force is concluding its work with Abacus Architects + Planners with a presentation to the Select Board on Wednesday, October 19. Owing to time constraints, we plan on a short session, arranged approximately as follows:

- Project overview, conclusions, and recommendations Fritz Luft of the Task Force 5 min.
- Community Center architectural design concepts David Eisen of Abacus 5 min.
- Select Board questions and follow-up discussion 5 min.

In advance of the meeting, we provide you with the following materials to review:

- “Orleans Community Center Study Final Report – 10-6-2022” by Abacus Architects + Planners
- “Community Center Feasibility Task Force Project Summary 10-14-2022” by the project task force

After receiving your feedback, final versions of these documents will be posted on the project page of the town website along with more detailed data from the study.

The task force appreciates your interest and looks forward to meeting with you next Wednesday.

Fritz
